

Prescribed Minimum Benefits basket of care for COVID-19

This document provides information about the Prescribed Minimum Benefits (PMB) basket of care for treating COVID-19.

The following tables show what treatment we pay for as Prescribed Minimum Benefits if a test shows that a member has COVID-19. We have divided the baskets of care into a diagnostic basket and an out-of-hospital basket for care if a member is not admitted to hospital.

Please make sure your claims have the appropriate ICD-10 code

All claims must have the appropriate ICD-10 codes (diagnostic codes) so we can identify them and pay them from the WHO Global Outbreak Benefit. Please include the ICD-10 codes (diagnosis codes) when referring your patient to the pathologist or radiologist. This will enable the pathologists and radiologists to share this information with us and allow us to comply with legislation by paying Prescribed Minimum Benefits (PMB) claims correctly.

We may pay claims from your day-to-day benefits if PMB requirements are not met

We will pay claims from your available day-to-day benefits when:

- The claims are submitted without the relevant ICD-10 codes
- The treatment does not meet the Society's clinical entry criteria and guidelines for PMB funding

What happens if you need more treatment or treatment that falls outside of these defined benefits

If you need treatment in excess of or treatment that falls outside of the defined benefits you and your healthcare professional can send additional clinical information with a detailed explanation of the treatment that is needed, and we will review it. If this treatment is approved as Prescribed Minimum Benefit, it will not be paid from your available day-to-day benefits, but from your approved PMB cover.

You can follow the below easy steps to apply for PMB cover in excess of the benefits stated the tables below:

- 1) Download the Prescribed Minimum Benefits Appeals Form. Up to date forms are always available on www.sabmas.co.za. You can also call 0860 002 133 to request any of the above forms.
- 2) Complete the form with the assistance of your doctor/healthcare professional.

3) Send the completed, signed form, along with any additional medical information, by email to OHPMBAApplications@sabmas.co.za.

If we approve the requested medicine/treatment, we will automatically pay these from your PMB cover for COVID-19. If the approval is unsuccessful and you are not satisfied with the outcome you may dispute the funding decision. Call us to lodge a formal dispute.

For more information on your cover for PMBs please visit our website www.sabmas.co.za

COVID-19 Vaccine

The COVID-19 vaccine and administration of the vaccine is covered as a Prescribed Minimum Benefit (PMB). All SABMAS Scheme members will be covered for the vaccine, in accordance with the prioritisation framework and the three-phase roll-out plan as established by the Ministerial Advisory Committee and National Department of Health.

You will be required to register on the National Department of Health's Electronic Vaccination Data System (EVDS) and make use of one of the accredited vaccination sites. The list of accredited facilities will be published by the National Department of Health.

You will have access to funding up to 100% of the Society Rate for the following registered vaccines.

	DESCRIPTION	CODES	NUMBER
COVID-19 vaccine	Pfizer-BioNTech	3003282001	2
	J&J/Janssen	3003366001	1
COVID-19 vaccine administration	Administration fee for vaccine including material and PPE	3002823001	2

Screening and testing

Members who suspect they might have COVID-19 will have access to funding for the following tests and consults from the Prescribed Minimum Benefits as part of the Screening and Testing Basket of Care.

	Description	Codes	Number
Consultations with a DrConnect or 3Sixty Network GP	All Practitioners	0190 or 0191 or 0192 or 0130 or VCONS or VCONM or VCONSC or 7060 or 7061 or 7062 or 7063 or 7064	Unlimited when referred by DrConnect or 3Sixty GP network
		0145 or 0146 (only with 0190, 0191 or 0192)	

		0132 (only with 0130) or 0133	
Pathology	PCR SARS-CoV-2	CO19 / 3979	2 per person per year, except where approved as PMB
	Rapid Covid-19 Antigen test	COAg or ANTG	2 per person per year
Procedures	PPE	PPE01	

Diagnostic Basket

If members test positive for COVID-19 the following benefits will be applicable for funding from the Prescribed Minimum Benefits:

	Description	Codes	Number
Consultations	Telephone, virtual or face-to-face consultations	0190 or 0191 or 0192 or 0130 or VCONS or VCONM or VCONSC or 7060 or 7061 or 7062 or 7063 or 7064	1, except where approved as PMB
		0145 or 0146 (only with 0190, 0191 or 0192)	
		0132 (only with 0130) or 0133	
	Casualty facility fees	58301 or 57801 or 58805 or 58807 or 58303 or 57803 or 57805 or 57301 or 57303 or 58802 or 57807 or 58804 or 58806 or 58302 or 57802 or 57804 or 58808 or 57806 or 57808 or 58801 or 57302 or 58803	
Pathology	Full blood count	3755 or 53755 or (any combination of 3739 & 3762 & 3783 & 3785 & 3791 or 53739 & 53762 & 53783 & 53785 & 53791)	1
	Platelet count	3797 or 53797	1
	Glucose	4057 or 54057	1
	Prothrombin Index	3805 or 53805	1
	U&E including Creatinine	4171 & 4032 or 54171 & 54032	1
	CRP	3947 or 53947	4

	Blood Gases	4076	1
	Lactate dehydrogenase (LDH)	4133 or 54133	1
	Aspartate aminotransferase (AST)	4130 or 54130	1
	Alanine aminotransferase (ALT)	4131 or 54131	1
	D-dimer (quantitative)	3856 or 53856	4
	Interleukin 6 (IL)	3948 or 4172	4
	Blood Culture		
	Blood culture	3891 or 3892 or 3894 or 4651 or 53891 or 53892 or 53894 or 54651	2
	Bottles	0201 (only when claimed with any one of these NAPPI codes: 266042001, 266043001, 266044001, 684916001, 684921001, 684922001, 684925001, 684927001, 684928001, 684949001, 684952001, 686435001, 686440001, 686444001, 686448001, 686449001 or 897221002)	2
	Blood-culture microscopy	3867 or 3895 or 53867 or 53895	1
	Identification as organism/type	3923 or 3924 or 3927 or 4652 or 53923 or 53924 or 53927 or 54652	4
	Sensitivity per organism	3887 or 4653 or 53887 or 54653	4
	Sputum microscopy, culture and sensitivity (MC&S)		
	Microscopy	3867 or 53867	1
	Culture	3895 or 53895	1
	TB microscopy / TB GeneXpert (PCR*)	3881 or 3885 or 4657 or 3974 or 4658 or 3915 or 3919 or 4434 or 53881 or 53885 or	1

		54657 or 53974 or 53915 or 53919 or 54434	
	Identification as organism/type	3923 or 3924 or 3927 or 4652 or 53923 or 53924 or 53927 or 54652	4
	Sensitivity per organism	3887 or 4653 or 53887 or 54653	4
	Mycobacterium antibiotic sensitivity	3920 (only with 3974) or 3930 or 53930	1
	LAM (for HIV positive only)	4172 or 4655 or 3882 or 54172 or 54655 or 53882	1
	PCR SARS-CoV-2	CO19 / 3979	1
	Rapid Antigen	COAG or ANTG	1
	Flu PCR*	3974 or 4434 or 53974 or 54434	1
	Blood gases	4076 or 54076	1
Radiology	Chest X-ray (basic)	30100 or 30110	1
	X-ray with mobile unit in other facility	00130	1
	CT scan of the chest	30300 or 30310 or 30340 or 30350	1
	X-ray of the chest complete with additional views	30120	1
	CT of the chest for pulmonary embolism	30360	1
	PPE** consumables used in radiology procedures that have a NAPPI code (add VAT if it applies)	00090	Part of procedure
Procedures	Personal protective equipment	PPE01	Part of procedure and/or consultation

*PCR = polymerase chain reaction

**PPE = personal protective equipment

Follow-up treatment basket

	Description	Codes	Number
Consultations	Telephone, virtual or face-to-face consultations	0190 or 0191 or 0192 or 0130 or VCONS or VCONM or 7060 or 7061 or 7062 or 7063 or 7064	1, except where approved as PMB
		0145 or 0146 (only with 0190, 0191 or 0192)	
		0132 (only with 0130) or 0133	
Psychotherapy	022 - Psychiatrist	2974 or 2975 or 2957 or 2958 OR	1
	086 - Psychologists	86200 or 86201 or 86202 or 86203 or 86204 or 86205 OR	
	089 - Social worker	89200 or 89201 or 89202 or 89203 or 89204 or 89205	
Pathology	Full blood count	3755 or 53755 or (any combination of 3739 & 3762 & 3783 & 3785 & 3791 or 53739 & 53762 & 53783 & 53785 & 53791)	1
	Platelet count	3797 or 53797	1
Radiology	Chest X-ray (basic)	30100 or 30110	1
	X-ray with mobile unit in other facility	00130	1
	PPE* consumables used in radiology procedures that have a NAPPI code (add VAT if it applies)	00090	Part of procedure
	CT of the chest	30300 or 30310 or or 30340 30350	1
Chest physiotherapy	Evaluation/counselling at the first visit only	72701 or 72702	1
	One complete re-assessment of a patient's condition	72703	1

	Interview, guidance or consultation with the patient or his family	72708	1

Understanding Long COVID-19

'Long COVID' is the term commonly used to describe signs and symptoms that continue or develop after acute COVID-19 illness. It includes both ongoing symptomatic COVID-19 (from four to 12 weeks) and post COVID-19 syndrome (12 weeks or more). Some symptoms may only start for the first time three to four weeks after the acute COVID-19 infection.

Common symptoms of Long COVID include:

- Fatigue
- Persistent loss of smell and taste
- Shortness of breath
- Joint or muscle pains
- Persistent cough
- Headaches
- Difficulty thinking or concentrating (sometimes referred to as "brain fog")

Other symptoms that have been reported include chest or stomach pain, fast-beating or pounding heart (also known as heart palpitations), pins-and-needles, diarrhoea, sleep problems, fever, dizziness on standing (light-headedness), body rash, mood changes, changes in menstrual cycles.

Illness severity can range from mild to critical:

- Mild to moderate – mild symptoms, mild pneumonia, occurs in approximately 80% of cases
- Severe - difficulty breathing, requiring oxygen, generally results in a hospital admission
- Critical - requiring intensive care.

Benefit activation:

Members who have been identified through qualifying claims will be allocated the benefit depending on their severity levels. You can also apply for the benefit by using the PMB application form.
